13 COVID-19

The current worldwide Coronavirus outbreak commenced in China, being notified to the World Health Organisation ("WHO") by China on 31 December 2019, being declared by the WHO as a Public Health Emergency of International Concern on 30 January 2020 and as a worldwide pandemic on 11 March 2020. The pandemic is ongoing, however since the global immunisation programme, which commenced in early 2021, the effect of the pandemic appears to be stabilising.

The impact on the Charity for the year ended 30 June 2021 was that it was unable to hold its fund raising events during the year, which resulted in a loss of income and that the governors meetings were held virtually. In order to mitigate the reduction in income the Charity introduced the sale of Ecards which generated income of £6,669 and sold £57,000 worth of investments. The expenditure on its charitable grants was not impacted.
